These monthly abstracts of complaints received and attended are sent regularly to House Committee, Lok Sabha and Rajya Sabha. Apart from this, the Service Centres, are visited regularly by different officials of CPWD. To get proper feed back on the complaints attended by the service centres, a system of inspection card has also been introduced on which remarks of honourable MPs are obtained from time to time. No complaint regarding non-cooperative attitude of staff and officials of CPWD Service Centre of South Avenue & North Avenue has been received recently.

The complaints attended by North and South Avenue Service Centres during the last three years are given in statement (see below).

The complaints which have remained pending beyond 48 hours are of the nature of special repair like replacement of floor etc. and items which are not required normally and are to be procured specifically.

No shortcoming has been noticed in the functioning of Service Centres of South & North Avenue and as such no stern action has been needed so far.

(f) Details of overtime allowance paid to employees is given in statement II (see below). Reasons for giving overtime are duties on holidays, urgent work beyond duty hours and maintenance of essential service round the clock. Vacant Quarters in Timarpur

3642. SHRI RAHASBIHARI BARIK: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that a number of quarters in Timarpur in Delhi are lying vacant; if so, what are the details in this regard and since when these are lying vacant;

(b) when these quarters were last vacated;

(c) what are the reasons for keeping these quarters unallotted for such a long period; and

(d) by when all the vacant quarters would be allotted to eligible Government servants?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (DR. U. VENKATESWARLU): (a) to (d) Vacation/allotment of accommodation is a continuous process. As and when a vacancy is reported, the same is allotted at the earliest. However, sometimes due to repairs, refusals to accept the accommodation offered, technical acceptance of the offer of the allotment etc. a particular flat is not physically occupied for quite sometime and it gives an impression that the allotment are not being made. However, all efforts are being made by the Directorate of Estates to allot vacant quarter in general pool, including those at Timarpur, without any loss of time.
